PLEASE READ ALL SECTIONS**

You must submit ALL of the following documents. We will not accept any application without these documents

- US GOVERNMENT ISSUED IDENTIFICATION
- INCOME INFORMATION (see income section)
- CO-SIGNER FORM, ID & INCOME (if applicable) - Make sure the property you are applying for allows Co-Signers
- ALL ANIMAL FORMS (if applicable) - Make sure the property you are applying for allows the type of pets you have. See restricted breed list on pet guidelines. Fill out the pet form and submit the additional pet documentation listed on the guidelines. If you have a companion / service animal, ask one of our staff members for the paperwork you will need before submitting your application. **THESE ITEMS ARE PART OF THE APPLICATION AND ARE REQUIRED WHEN SUBMITTING AN APPLICATION.**

EACH PERSON OVER 18 (INCLUDING HUSBAND & WIFE) MUST SUBMIT THEIR OWN APPLICATION AND THEY MUST BE SUBMITTED AT THE SAME TIME. List who you are applying with in the area provided on your application.

### APPLICATION CRITERIA

Applications are valid for 6 months upon receipt. You may move your application to another property if the property you applied for is no longer available or you prefer a different property. Your application will only be accepted and you will be placed in line for a property once we have a complete application. (PLEASE NOTE YOU CAN ONLY BE IN LINE FOR ONE PROPERTY AT A TIME AND YOU ONLY APPLY ONCE.) We will stay in contact with you via email as we have updates to the application.

PLEASE LOOK AT THE AVAILABLE DATE ON THE LISTING for the property you are interested in. This is our best guess of when the property is available. Make sure the listed date works for your moving plans and keep in mind this date is subject to change. Sometimes properties are ready earlier or later than the listed date. We will contact you as soon as we know when the property is move in ready to schedule a rental agreement signing. You will be expected to take financial possession of the property once it is ready for tenancy.

INCOME VERIFICATION MUST BE TURNED IN WITH YOUR APPLICATION. Your gross income must be equal to or be more than 3 times the rent on the property you are applying for. If you are applying and are married, you may combine your incomes. If you are applying with roommates, take the rent, multiply it by 3 and divide by the number of roommates. Each applicant must meet that income or obtain a co-signer. If you are relocating, we need to see what you will make once you move. Current jobs will not count unless transferring or working remotely.

Verifiable income may mean, but is not limited to: employment paychecks, bank accounts, alimony/child support, trust accounts, social security, unemployment, welfare, grant/loans and housing assistance.

### STUDENTS

If you are a student and you feel you meet the qualifications without a co-signer you are welcome to apply. You must provide documentation supporting your ability to pay rent and have 3 years of rental history. If you are using a co-signer then the co-signer will need to fill out a co-signer form. We will need a copy of their ID and income showing that they income qualify. Co-signer forms are in our office and on our website. We do not run Co-signer background checks unless deemed necessary. A co-signer does not have to pay an application fee. Check the property listing and make sure the property allows co-signers before applying.

RENTAL HISTORY MUST EQUAL 3 FULL YEARS BY UNBIASED/UNRELATED SOURCES. We do not count rental history from friends, family, dorms or places you subleased and did not have a contract. Rental history must be verifiable and we must be able to contact the previous landlords. Please attach additional rental references if needed to equal 3 years. Please list rental history in chronological order. We do count home ownership instead of rental history as long as your credit report shows mortgage history or the deed is in your name. If you do not have 3 years of rental history, then you will need a co-signer. Please make sure the property allows for a co-signer.

## OUR PROCESS:

Please note Chinook Properties does not rent properties sight unseen. Applicants or someone you know will need to view the inside of the property before a rental agreement is signed. Turning in a complete application secures a place in line for the property you are interested in. Once in line, we will arrange a viewing of the property while we are processing your application. If you turn in your application and you are second, we will tell you when a showing is scheduled for the property you applied for. Sometimes properties are not showable until the current tenant has moved out so it could be closer to the listed available date before you view the property. If the property you applied for is no longer listed it does not mean that the property is no longer for rent. We un-list them when we have several applications or it has been rented to the applicant ahead of you. You will be contacted if the property is rented. If we are having a hard time obtaining your rental references it could take longer to process your application. If we are unable to obtain rental history, we will move onto the next applicant. During the busy season of March to October, applications can take longer to process. If you see a property on our website and the date says "available now" we can show it without an appointment. Please call, email or stop by our office to arrange for a showing. You are always welcome to check in with us to see how the processing is going. We email most of the time and it is recommended that you check your email that you list on this application (check your spam folders as well.) If you submit an incomplete application, you will be emailed stating that you are not placed in line for the property. You will be sent our application check list of what we need and it is your responsibility to provide that. Please note that until you are complete you are not in line for a property.

**It is your responsibility to submit a complete application. Incomplete applications will not be considered.**

## MOVE-IN PROCESS:

Upon notification of final approval, applicants will have 24 hours to accept the property and pay a deposit to hold the property until it is move in ready. If the property is already move in ready, you will need to pay pro-rated rent and sign a rental agreement within an agreed amount of time from the time you are told you are approved. The property remains on the market until the approved applicant has taken financial possession. If you fail to bring in the deposit, we will move on to the next applicant. We notify you via email so please check your emails.

Please Note: Our move in dates are not guaranteed as there are a number of factors which can change this date, such as, out-going tenant does not turn in keys on time, and/or additional work on the properties is required. Approved applicants are required to take possession of a property once it is move in ready. You should check the listed date and base your moving plans around this date. Rental agreements are electronic and rent can be paid online. You are expected to take the property when it is ready.
